

Issue 107 21st April 2021

Welcome to another edition of the ACE Newsletter - We hope that you are all keeping as well as possible.

In this week's edition we urge travellers that need to renew their passports to allow plenty of time due to a 10 week wait, Kempinski Hotels has launched a new fitness room category, Air France have launched some new routes and we are delighted to inform you that we have access to discounted PCR Test kits

BUSINESS NEWS

10 Week wait for passport renewals

Processing British passport applications could take more than three times the usual waiting time as a result of an expected spike in demand, the Home office has warned.

The Passport Office is telling travellers to allow up to 10 weeks to receive the document, up from three weeks previously.

If you need any assistance in your passport renewal please contact the ACE Team

Kempinski launches new fitness room category

Kempinski Hotels has launched a new room category designed for fitness in partnership with Technogym.

Select hotels in Berlin, Munich, Dubai and Shanghai will be the first to offer the Kempinski Fit Room, with the group likely to roll it out to more destinations.

The rooms are complete with “innovative in-room workout solutions and on-demand fitness services” and guests can book the rooms through the hotels’ website.

Air France Launches new routes

Air France will begin a nonstop service between Paris Charles de Gaulle Airport and Denver this summer, the carrier has announced. The service will operate up to three times per week starting on 2 July on Boeing 787-9 aircraft and will be the first time a SkyTeam airline has offered nonstop service between Denver and Europ.

In addition to this, Air France will begin to operate a direct route from Heathrow to Nice this Summer. This will be a seasonal route starting from the 28th June operating for 10 weeks until the 5th September.
