

# LET'S TALK MEETINGS & EVENTS

## A FRESH APPROACH

We specialise in helping you source, plan and book all types of meetings and events, as well as assisting onsite when required.

We have access to some of the most experienced and dedicated meeting and events professionals around the world, who will ensure that your meeting or event – no matter how large or small – offers value for money and meets your business objectives.

Our sole objective is to make the sourcing, planning and operation of your meeting or event run as smoothly as possible, to help you achieve your business and financial goals.

## BENEFITS

Our specialist team leverages the vast global buying power of the Advantage Travel Partnership and WIN Global Travel Network who, with a collective member annual turnover of £4.5bn, have secured some very beneficial strategic supplier partnerships.

We can obtain the best possible value for your meeting or event, as well as many other benefits that you would not have access to by booking these meetings or events directly.

We benefit from partnership deals with:

- 35,000 hotels worldwide and 43 global airlines
- Destination Management Companies
- Ground transportation providers
- Technology and production companies
- Team building organisations
- Creative and design agencies
- Content producers

Our flexible approach means we can help with your meetings and events, regardless of size, budget or location.

Get in touch with our team of specialists using the contact details to find out more.

## OUR SERVICES

We offer a range of services to suit every meeting and event requirement.

### VENUE FINDING

Our specialist team is here to find the perfect venue for your event, and has access to special rates and deals from our global hotel partners.

### EVENT MANAGEMENT

We can deliver an end-to-end service, helping to create successful, engaging and memorable events.

### REGISTRATION

Utilise our registration platform to expertly manage your full registration process, including simple online payment solutions.

### GROUP AIR

Air travel can be up to 30% of an event budget, and through relationships with over 40 worldwide airlines our team is here to help.

### EVENT TECHNOLOGY

We provide comprehensive access to, and detailed advice on, the latest, most suitable event technology which will add value to your events.

### CONSULTANCY

Our gurus are vastly experienced, and are here to help you develop your business strategy.

### PRODUCTION & AV

With a network of trusted suppliers, we can assemble a team of experts to help deliver the most effective event production solutions.

### DESIGN & CREATIVE

Our design and creative team will bring your event to life through innovative concepts that are visually impactful and deliver on your objectives.
