

Issue 71 3rd June 2020

Thank you to all of you that joined us yesterday for the ACE Webinar.....Returning to travel.. getting prepared.

It was good to have the opportunity for the Senior ACE Team to report on activities that have occurred during the previous months and how we can support you in returning to the world of global travel.

In this week's edition we launch our interactive safety map, allowing you the opportunity to gain up to date information per area on travel restrictions etc. We are pleased to announce that SAS has opened up their UK to Scandinavia route with a regular daily departure and we are pleased to include the Stay Safe with Melia video – demonstrating the customer experience transformation.

Don't forget about our current campaign allowing you the chance to win a '£1,000 Holiday Voucher'...

As always we are available to discuss your travel programme at any time, please do contact us.

With best wishes from the ACE Team

They are also scaling up their services within Scandinavia as well as adding destinations within Europe and to the US. SAS plans to continue to offer more flights and destinations as the recommendations issued by different countries are relaxed and demand for travel to Scandinavia increases.
